- Waterways and hydraulic engineering
- Industrial services

The MIR Forum Venue

Moscow Gostiny Dvor is one of the top exhibition venues in Russia, which frequently hosts events of federal significance. It is located in the very center of Moscow, at 4, Ilinka Str., just 150 meters away from the Kremlin, near the Ploshchad Revolyutsii, Kitay-Gorod and Teatralnaya metro stations.

The Venue for Exclusive Events

Every year Moscow Gostiny Dvor hosts a large number of cultural events, children's festivals, municipal days and national holiday festivities, international exhibitions, concerts and fashion shows. Mayor's Annual New Year Ball is held here. Here sang Montserrat Caballe, Jose Carreras, Sissel. The Orthodox Rus Exhibition and Marine Industry of Russia International Forum also took place at Gostiny Dvor.

Convenient Infrastructure Facilities

The venue total floor area is 82,000 m², its exhibition space is over 14,000 m². In the late 1995 Moscow Government initiated the renovation of Gostiny Dvor building, turning it into a modern cultural, office and retail center. There are 8 restaurants, 3 banks and a great number of ATMs, shops and galleries. It is planned to build a hotel here, which will close the circle of hotels around the Kremlin.

Forum «Marine Industry of Russia» offers diversified expositions and a substantial business programme – the plenary meeting, workshops, presentations, seminars, round-table discussions and contest programmes.
