On participation in and support to panel discussion
"Private-Public Partnership in Implementation of Sea
and River Transportation Investment Projects. Port
Special Economic Zones" as part of International
Forum "Marine Industry of Russia", May 21, 2010,
Moscow, Gostiny Dvor

Dear colleagues!

In accordance with the instructions of I. Sechin, Deputy Prime Minister of the Russian Federation, #ИС-П4-5812 dated 05/10/2009, exhibition company OOO Mega Expo under the auspices of the Marine Board of the Government of the Russian Federation, Council of Federation of the Federal Assembly of the Russian Federation, Minpromtorg of Russia, Mintrans of Russia, Rosmorrechflot, Rosrybolovstvo and other interested organizations prepares to hold International Forum "Marine Industry of Russia" in Moscow, 19-21 May, 2010.

In order to build private investments market and encourage open dialog with potential investors and users of sea and river transport infrastructure projects, FGU Rostransmodernizatsiya acted as an organizer and moderator of the panel discussion "Private-Public Partnership in Implementation of Sea and River Transportation Investment Projects. Port Special Economic Zones" to be held as part of International Forum "Marine Industry of Russia" on May 21, 2010.

We invite you to take an active part in this Panel Discussion in any format you find convenient. Please, find description of the programme and participation formats in the attachment.
